Riot Games Pty Ltd  
Ultimo, Sydney NSW

DEAR RIOT GAMES,

---

I am writing to express my interest in the Manager, Art Direction position at Riot Games, Sydney, as advertised on Seek. I believe I can bring a new and unique attitude to the team that has been shaped by my current and past work experiences.

I excel in collaborative environments, which I have learnt from both my time at university and as well as my time volunteering. Furthermore, I have a strong sense of empathy that I have gained from volunteering and have adapted at interacting and communicating with different customers that come into our shop. Both experiences will allow me to confidently and calmly manage any issues that arise in our team, as well as allow me to adapt to communicating with a variety of coworkers.

In my time at university, I have gathered a variety of software skills, such as Maya, Blender, Photoshop and an intermediate coding knowledge. These skills will allow me to confidently work with both my own teams, in addition to, the other teams at Riot. As I understand what needs to be communicated, modelers and coders can easily and efficiently translate the art direction that we produce.

Enclosed is my resume, which provides a detailed overview of my qualifications and experiences. I am confident that my skills align with the requirements of the Manager position at Riot Games, Sydney.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences make me an ideal candidate for this position. Please feel free to contact me at [ddelapo0@our.ecu.edu.au](mailto:ddelapo0@our.ecu.edu.au) to schedule an interview.

Kind Regards,

Denvah-Rose de la Porte-Cooke
